2017-2018 OFFICIAL CATALOG

Ogni impresa ha un inizio, là dove qualcuno ha il coraggio di credere in un'idea. Così, il 23 Maggio 2008, sulla scia degli eccellenti risultati commerciali e di target brand già conseguiti in passato, dalle idee e dalla più che trentennale esperienza di Giovanni Acanfora, nasce il "progetto Givova".

*A company can only be founded when someone has the courage to believe in an idea. In the wake of the excellent commercial results achieved in the past, the ideas and the thirty years' experience of Giovanni Acanfora, on May 23th in 2008, the project Givova was born.*

"Anche i più grandi calciatori della storia, in un momento della loro vita, erano incapaci di fare due palleggi consecutivi."

*"Even the best football players were unable to do two consecutive dribbles, at a given moment of their life."*

L'azienda si pone da subito l'obiettivo di migliorare il posizionamento del brand portandolo ai massimi livelli del settore e già nel 2009, ad un anno dalla sua nascita, Givova approda in serie B con la sponsorizzazione della Salernitana Calcio 1919 e in serie A con la sponsorizzazione dell'A.C. ChievoVerona.

*From the beginning, the company's aim is improving the positioning of the brand and bringing it to the highest levels of the industry. In 2009 already, only one year after its founding, Givova joins the Italian Championship with the sponsorship of Second League football club Salerno and Premier League Club AC Chievo Verona.*

Oggi Givova dispone di una piattaforma logistica integrata di circa 30.000 m<sup>2</sup> perfettamente organizzata per la distribuzione dei prodotti in tutto il mondo e per la cura delle sempre più esigenti richieste del mercato, offrendo così una flessibilità ed una velocità di risposta ai bisogni del settore con un'attenzione maniacale alla cura dei particolari, dei tessuti, e delle scelte stilistiche, che rispettano non solo i gusti ma anche le tendenze della moda sportiva.

*Today Givova has an integrated logistics platform of about 30.000 m<sup>2</sup> which is perfectly organized for the distribution of its products throughout the world. Givova evaluates the market demand offering flexibility and fast responses to the needs of the industry with an obsessive attention to details, textiles and style, so that, its products not only suit the taste of the customers, but also follow the trends in sports fashion.*

Givova distribuisce ad oggi in tutti gli stati d'Europa e in 22 paesi nel resto del mondo. / Currently Givova ships all over Europe and in other 22 countries worldwide.

Nel 2010, a soli 2 anni dalla nascita, Givova diventa sponsor tecnico e fornitore ufficiale del Comitato Olimpico Serbo con il quale, nel 2012 approda alle Olimpiadi di Londra, la più importante competizione sportiva mondiale.

*In 2010, only two years after its founding, Givova becomes technical sponsor and official supplier of the Olympic Committee of Serbia that took part in 2012 at the Olympic Games in London, the most important sport competition in the world.*

Alla luce degli immediati risultati ottenuti, Givova perfeziona la sua politica commerciale basandola su alcuni punti cardine:

*On the basis of the achieved results, GIVOVA's trade policy is based on some key points:*

## GIVOVA POLICY

Costante visibilità sul mercato grazie alle partnership tecniche all'interno delle massime divisioni sportive nazionali ed internazionali

*Constant visibility in the market thanks to technical sponsorships within the best national and international sports clubs*

Logistica integrata che permette a Givova una rotazione delle giacenze all'interno del deposito di ogni punto vendita azzerando i costi legati alle scorte di magazzino

*Integrated logistics that allow GIVOVA's business partners to delete the costs related to inventories*

Costanti investimenti in ricerca e sviluppo per migliorare le performance dei prodotti e renderli sempre adatti alle nuove esigenze degli sportivi  
*Constant investment in research and development to improve the products performance and make them more suitable to the needs of athletes*

Cura del servizio pre e post vendita per incontrare al meglio la necessità di velocità e professionalità che il mercato richiede  
*Service care first and after the sales to join up the speedy needs and professionalism that the market requires*

Personale altamente qualificato disponibile h24 per annullare i tempi di attesa e soddisfare le esigenze del cliente  
*Qualified, fast and professional staff is available 24 hours a day to give customer service before and after sales, in order to reduce waiting time and respond to the customer needs*

Oggi Givova vanta decine di sponsorizzazioni nelle massime serie nazionali ed internazionali

*Givova now has dozens of sponsorship of top national and international football leagues*

The background features a large, stylized graphic element composed of a yellow triangle on top and a teal triangle on the bottom. A thin white diagonal line runs from the top-left corner to the bottom-right corner, intersecting the triangles. The yellow area has subtle horizontal lines suggesting folds or wrinkles.

Il tessuto interlock offre il miglior rapporto tra la peso e resistenza. Le sue proprietà inoltre allontanano facilmente il sudore dal corpo e garantiscono un'alta traspirazione.

*The interlock fabric offers the best relationship between weight and resistance. Its properties move away the sweat from the body and grant high level of transpiration*

Il cotone che Givova usa per i suoi capi è il massimo per gli atleti che cercano tessuti leggeri e freschi.

*The cotton that Givova uses for his garment is the best for the athletes who look for light and fresh fabrics.*

Il tessuto TRICOT è caratterizzato dalla sua versatilità che lo rende adatto sia per l'allenamento che per il tempo libero.

*TRICOT fabric is characterized by its versatility, making it suitable both for training and for leisure.*

Tutte le proprietà del tessuto INTERLOCK con una grammatura superiore per offrire maggiore resistenza al capo.

*All the characteristics of the INTERLOCK fabric with a higher weight in order to offer greater resistance to the garment.*

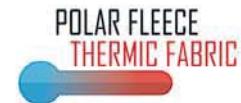

Ottenuto dalla combinazione tra più materiali, il POLCOTTON è un tessuto speciale in grado di offrire all'atleta la freschezza del cotone e la leggerezza del poliestere.

*The POLCOTTON is obtained by the combination of more materials, it is a special fabric which offers to the athlete the freshness of the cotton and the lightness of polyester.*

L'abbigliamento pratico e veloce caratterizzato dalla doppia vestibilità.

*The practical and quick wear characterized by double fit.*

Tessuto dalla massima tenuta termica con il minimo peso. La sua versatilità lo rende ideale per l'allenamento e perfetto per il tempo libero.

*Fabric by the maximum thermal stability with minimal weight. Its versatility makes it ideal for training, perfect for leisure.*

Le proprietà del cotone con una struttura a nido d'ape

*The characteristics of cotton with a honeycomb structure*

I capi che presentano questo simbolo vengono realizzati attraverso il processo di stampa a sublimazione.

*The products which have the following icon are made through the sublimation printing process.*

Il tessuto Piquet grazie alla sua matrice quadrettata traspirante è l'ideale per chi non chiede solo elevate performance ma anche un look elegante e ricercato.

*The Piquet fabric, thanks to its perspired squared matrix, is the best for anyone who asks not only for high performance but also an elegant and much sought-after design.*

TEI è il tessuto Givova che aderisce perfettamente al corpo offrendo allo stesso tempo leggerezza, traspirabilità e resistenza

*TEI is the Givova fabric that adheres perfectly to the body offering at the same time lightness, transpiration and resistance.*

microfibre  
RIBSTOP

La microfibra è il top della tecnologia Givova, un tessuto che garantisce il meglio tra i capi tecnici offrendo un design elegante e alla moda. Perfetta come wind-stopper, la microfibra risulta essere il massimo anche in termini di traspirazione.

*The microfiber is the top of the Givova technology, it's the best fabric among the technical cloths and it offers an elegant and fashionable design. Perfect as wind-stopper, the microfiber is the best also in terms of breathability.*

Tessuto in felpa garzata adatto ai climi più freddi.

*Fabric brushed fleece suitable for colder climates.*

Tessuto in felpa non garzata utilizzabile in ogni stagione.
